Dear Hiring Manager:

I am writing in response to your posting for a Massage Therapist on <<Website.org.>> I have always been impressed with the work of <<Company Name>> in providing individualized and expert care to all their clients and would welcome the opportunity to contribute my skills and experience to your team. I recently graduated from American Institute with a Massage Therapy certificate and relevant experience gained from direct client work during the program.

Working as a Massage Therapist has always been my passion. A people-person from birth, I gravitated to massage therapy and its focus on helping and relaxing. Now, with my education from American Institute, I believe I am uniquely qualified for this position. Through my experiences in the Massage Therapy program, I have developed expertise in Swedish massage techniques as well as a focus in the therapeutic deep tissue modality. During the program I performed a wide range of massage and therapy techniques and interacted with clients in a friendly and professional manner. I believe my educational background has prepared me to make a significant contribution to your organization.

The more I read about <<Company Name>>, the more I realize this is the perfect place for me to begin my career in massage therapy. I am extremely impressed with <<Company Name>>'s client-focused approach and mission to educate our community on the importance of a healthy lifestyle and well-being. I would love to have the chance to further discuss my qualifications with you. Thank you for your time.

Sincerely,

May Therapist
